SCHOOLTOOL ACCESS FORM

Parent/Guardian User Agreement Form
2011-2012 SCHOOL YEAR

We are pleased to offer parents and guardians of Madrid-Waddington students access to the district's student information system, *SchoolTool*. It is the intention of the Board of Education to insure that parents/guardians will have access to attendance, discipline and assignment/grading information in order to assist their children with achieving good grades and maintaining an excellent academic record.

To gain access to *SchoolTool*, all parents/guardians must **sign and return the attached form to the District Office**. The District Superintendent or her designee reserves the right to disable or revoke the account of anyone who misuses or abuses the privilege that access grants.

As a user of the Madrid-Waddington Central School student information system, I hereby agree to comply with the above stated rules – communicating over the network in a reliable fashion while honoring all relevant laws and restrictions. **Make sure you provide us with an active email account; your password and instructions will be sent there.**
