SUBJECT: ACCOUNTING OF FUNDS

Accounting and reporting procedures shall be developed to facilitate analysis and evaluation of the District's financial status and fixed assets. The District will use the Uniform System of Accounts for School Districts.

Books and records of the District shall be maintained in accordance with statutory requirements.

Provision shall be made for the adequate storage, security, and disposition of all financial and inventory records.

Electronic or Wire Transfers

Procedures will be implemented specifying who is authorized to initiate, approve, transmit, record, review and reconcile electronic transactions. At least two individuals will be involved in each transaction. Authorization and transmitting functions will be segregated and whenever possible the recording function will be delegated to a third individual.

The District will enter into written wire transfer security agreements for District bank accounts which will include established procedures for authenticating wire transfer orders.

All wire transfers must be authorized by the District Treasurer. Dual approval controls will be established for non-routine wire transfer orders.

The Internal Auditor will periodically confirm that wire transfers have appropriate signatures, verification and authorization of proper personnel.
