## **SUBJECT: GRADUATION RECOGNITION AND HONORS**

Honors at Madrid-Waddington Central will be awarded to students based upon completion of high school and Regents program. Class ranking will be based upon cumulative average after seven semesters, four (4) semesters of which must be at Madrid-Waddington Central.

The highest cumulative average in the Madrid-Waddington's program will be considered in determining ranking for colleges.

Using this same criteria, all students who achieve one of the following three levels of distinction will be afforded District recognition for outstanding academic achievement:

- Cum Laude – 90 GPA average or above
- Magna Cum Laude – 93 GPA average or above
- Summa Cum Laude – 95 GPA average or above

NOTE: Refer also to Policy #7221 – Early Graduation
