Instruction

SUBJECT: USE OF COPYRIGHTED MATERIALS

It is the intent of the Board of Education to abide by the provisions of the United States Copyright Law (Title 17 United States Code Section 101 et seq.).

All employees are prohibited from copying materials not specifically allowed by the copyright law, fair use guidelines, licenses or contractual agreements, or the permission of the copyright proprietor.

Any employee who willfully disregards the copyright policy shall be in violation of Federal Copyright Laws and District policy and shall assume all liability.

A copyright officer may be appointed by the Superintendent to provide information for all personnel regarding current copyright law and to maintain copyright records.

Regulations and procedures shall be developed by the administration detailing what can and cannot be copied. Appropriate copyright procedures will be communicated annually to all district employees; and will be placed on or near all equipment used for duplication.
