

**SUBJECT: EMERGENCY SCHOOL CLOSINGS: EXTRAORDINARY CONDITION  
DAYS/STUDENT ATTENDANCE**

### **Days of Session**

School districts must be in session for all students, including students with disabilities, for not less than 180 days. Included in the 180 days are days on which attendance is taken; days on which Regents examinations, State Assessments or local examinations are given; and days on which Superintendent's Conference Days are held.

### **Legal Holidays**

District officials may not schedule days of session on a Saturday or a legal holiday except Election Day, Washington's Birthday and Lincoln's Birthday (however, driver education classes may be conducted on a Saturday).

Legal holidays include: New Year's Day; Dr. Martin Luther King, Jr. Day; Lincoln's Birthday; Washington's Birthday; Memorial Day; Flag Day (second Sunday in June); Independence Day; Labor Day; Columbus Day; Election Day; Veterans' Day; Thanksgiving Day; and Christmas Day.

### **Length of School Day**

The minimum length of the school day for purposes of generating state aid is 2.5 hours for half-day kindergarten, 5.0 hours for full-day kindergarten through grade 6, and 5.5 hours for grades 7 through 12. These hours are exclusive of the time allowed for lunch. If the School District establishes a school calendar in excess of 180 required days, the excess days need not comply with the mandated daily time requirements.

### **Extraordinary Conditions**

The length of the school day requirement does not apply if schools open late or close early due to extraordinary circumstances beyond their control. Similarly, because of circumstances beyond its control, the School District may lose whole days of instruction due to emergency school closings.

Pursuant to Education Law Section 3604(7), if the Commissioner of Education finds that the schools of the District were not in session for 180 days because of extraordinarily adverse weather conditions, impairment of heating facilities, insufficiency of water supply, shortage of fuel, lack of electricity, natural gas leakage, unacceptable levels of chemical substances, or the destruction of the school building either in whole or in part, the Commissioner is authorized to excuse up to five (5) days under certain circumstances.

**SUBJECT: EMERGENCY SCHOOL CLOSINGS: EXTRAORDINARY CONDITION  
DAYS/STUDENT ATTENDANCE (Cont'd.)**

For the District to receive such a "waiver" from the Commissioner, the Commissioner must find that those "lost days" of instruction could not have been made up by using, for the secondary grades, all scheduled vacation days which occur prior to the first scheduled Regents examination day in June; and, for the elementary grades, all scheduled vacation days which occur prior to the last scheduled Regents examination day in June. Scheduled vacation days that may be used include days of religious observance associated with Passover, Easter and other religious holidays. Only Saturdays, Sundays, and legal holidays are excluded from days that may be used for this purpose.

Requests for excusal must be made in writing to the State Education Department at the close of the school year. If scheduled vacation days and days waived by the Commissioner are insufficient and the School District still remains one (1) or more days short of the 180 days, the District may schedule additional sessions after Regents examinations, through June 30, to satisfy the length of session requirement.

In the event that only one (1) building in the District will be short the required days of session because of some extraordinary condition, the day(s) for only that building must be made up by using all scheduled vacation days before an excusal can be given.

The rescheduling/make up of "lost days" of instruction will take into consideration collective bargaining agreements as may be applicable.

A declaration of a State of Emergency by the Governor due to adverse weather conditions does not authorize the school districts affected to operate an annual session of less than 180 days.

## **Reporting**

Pursuant to Commissioner's Regulations Section 155.17(h), each Superintendent shall notify the Commissioner of Education as soon as possible whenever the emergency plan or building-level school safety plan is activated and results in the closing of a school building in the District; and shall provide such information as the Commissioner may require. School districts within a Supervisory District shall provide such notification through their District Superintendent, who shall be responsible for notifying the Commissioner. Such information need not be provided for routine snow emergency days.
