## Eric Burke, Superintendent of Schools

If you have driven by the school recently it is certainly clear we are still heavily involved in our capital project work. Despite some weather delays the work is coming along nicely and the overall quality of the product is excellent. There will still be work continuing when school begins, however we will be able to isolate the areas and ensure a safe, healthy, and comfortable environment for the return of our students.

Our COVID reopening committee has done an excellent job focusing on bringing all our students back to an academic environment that is as close to our traditional format as possible. Please take time to review the plan on the District website and provide any feedback you may like to share. One of the most obvious remnants from last year will be the continuation of indoor masking for all students, staff, and visitors. While we had hoped this measure would no longer be necessary, it is the avenue we need to take to abide by CDC guidelines and hedge against the current case spike in St. Lawrence County.

We will be welcoming some new faces to our faculty and staff this September. The application pools tend to get smaller every year, however we feel very fortunate having retained high quality individuals. We have created a new position with the use of federal funds to assist families who need outside resource coordination and to promote attendance. This is a part-time position titled Home to School Coordinator and will be filled by a familiar face, Mr. Matt Daley.

One of our largest staffing hurdles continues to be bus driver recruitment. We will be attempting to consolidate a couple of runs and there will be times when our athletic runs will be a bit delayed so if you or anyone you know is interested in becoming a bus driver please contact the garage or district office. We are very grateful for the dedication of our current drivers and monitors as they are consistently willing to put in the extra time to ensure safe and timely transportation for all our students.

The commitment of our entire staff can not be overstated when reviewing the amount, and quality of the work accomplished this summer. Our instructional staff spent several days of professional development focusing on a variety of pedagogical practices. The support, guidance, and administrative staff graciously dealt with a multitude of disruptions to make sure we are ready to roll for September as did our custodial department that never ceases to amaze with their ability to accomplish so much in such a short time.

We are very eager to welcome all our students on September 2nd and remain hopeful that as the weeks progress we will be provided opportunities to continue our progress towards normal operations.

Cordially,

Eric Burke  
Superintendent of Schools

When completing your New York State Income Tax Return, please note that our **School District Code Number is 361.**

### Enhanced STAR Exemptions for Senior Citizens

If you've been receiving the senior citizens exemption previously, you may recall that the application for that exemption was also the application for the Enhanced STAR exemption. Under the new law, that is not the case. You are now required to apply for the Enhanced STAR and senior citizens exemptions separately. Submit the applications for both exemptions to your assessor. For example, if you own and live in a house that is assessed at \$150,000 and the enhanced STAR exemption for your municipality is \$50,000, the school taxes on your property would be paid on a taxable assessment of \$100,000 (\$150,000 minus \$50,000 = \$100,000).

In future years, you will not need to reapply for the Enhanced STAR exemption; the Tax Department will automatically review your income to determine eligibility.

## Nicole Weakfall, Elementary Principal

Dear MWCS Families,

It is with extreme excitement that I write this letter to introduce myself and welcome you and your children back to school! It's hard to believe that September is upon us and it's almost time to get back into the swing of a school routine! My name is Nicole Weakfall and I have been working in the field of education for close to 20 years. I started my career as a teaching assistant and then went on to teach elementary school at Colton-Pierrepoint. Most recently, I have done some interim Principalships and spent two years as the Director of Curriculum and Instruction at Potsdam Central. I was happy to learn about the availability of the Principal position at Madrid-Waddington as it allowed me the opportunity to get back to working with children, the part of the job I love the most! I have some very big shoes to fill following Mr. Daley's retirement, but I've hit the ground running and spent the summer learning all about the operations here at MWCS. I couldn't be more thrilled to work with the students and families of this district!

As we begin the new school year, we are also welcoming some new staff members to the elementary building. **Megan St. Thomas**, formerly the high school secretary, will join us in the elementary office. **Mandy Yandoh** will be joining us to teach a morning session of UPK and she'll spend her afternoons providing math intervention services for students. **Maria Vecchio** will be providing support to students as a Special Education teacher. **Ellie Burns** will work with all elementary students in providing general music and choral instruction. I hope you will join me in welcoming them all to Madrid-Waddington! These new faces, along with our veteran teachers, have all been hard at work in setting up classrooms and preparing engaging lessons to kick off our year! The maintenance staff has also been working tirelessly to ensure that classrooms are clean and ready for a safe return to school in September. If you've driven by the school at all this summer, you can imagine that this is no small task with the amount of work that has been going on here as part of the Capital Project.

In an effort to maximize in-person instruction and keep students safe, all **students will be required to wear a mask while in the school building and on the bus**. Mask breaks will be provided throughout the day as needed. With that said, we are happy to return to other bits of "normalcy" and offer our **Meet the Teacher** opportunity on **September 1st**. Students and families are invited to visit their child's classroom, meet the teacher, and drop off supplies prior to the first day of school. It is our hope that this may alleviate some "first day" anxieties. As a way to mitigate the number of visitors to the building, we have split into two sessions based on the first letter of your family's last name.

- If your last name begins with A-M, we welcome you to visit the school from 1-2 PM.
- If your last name begins with N-Z, we welcome you to visit the school from 2-3 PM.
- *All students and family members who enter the building must be masked.*

I look forward to getting to know the students and families of Madrid and Waddington! If at any time you have a question or concern, please do not hesitate to reach out. It is only through a true partnership and communication that we will be able to provide the best school experience for your child. I will do my best to address your needs in a timely manner with due diligence. I cannot wait to kick off this new school year with enthusiasm and positivity!

## *STUDENT ATTENDANCE*

***ATTENDANCE—both High School and Elementary students***—Parents are reminded on days when a student is absent to please send a written excuse to the student’s home-room teacher the day the student returns to school, stating the reason for the absence. It is also requested that you please try to schedule appointments such as medical, dental, etc., around school exam days if at all possible. Thank you.

The School Nurse will contact parent/guardian after two days absence of your student.

See our website [www.mwस्क12.org](http://www.mwस्क12.org)

for a sample excuse form

**CEEB Code used for financial aid or  
for use on college applications:  
332970**

Education Law requires that the students enrolled in the schools of this District attend school on every school day unless legally excused. The educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. The regular contact of students with one another in the classroom and their participation in a well planned instructional activity under the tutelage of a competent teacher are vital to this purpose. Absences other than excused absences as defined by State regulations have a highly adverse effect on the student, as well as the entire educational program. Therefore, the Board of Education urges all parents to make every effort for their children to be in attendance.

Based upon our District’s education and community needs, values and priorities, the School District has determined that absences, tardiness and early departures will be considered excused or unexcused according to the following standards:

**Excused Absence:** An absence, tardiness or early departure may be excused if due to personal illness, illness or death in the family, impassable roads due to inclement weather, religious observance, quarantine, required court appearances, attendance at health clinics, approved college visits, approved cooperative work programs, military obligations, road tests, learner’s permit, or other such reasons as may be approved by the Board of Education.

**Unexcused Absence:** An absence, tardiness or early departure is considered unexcused if the reason for the lack of attendance does not fall into the above categories (e.g. family vacation, hunting, babysitting, hair cut, oversleeping)

## GUIDANCE DEPARTMENT NEWS — by Sabrina Pribek-Britton and Toni Siddon

### ..... IMPORTANT DATES FOR SENIORS WHO ARE COLLEGE-BOUND .....

Seniors should be aware of some important deadlines that can impact the college application process. The college entrance exams (ACT and SAT) have specific registration deadlines. For the **ACT**, students can complete registration materials online at [www.actstudent.org](http://www.actstudent.org). For the **SAT**, registration information can be found at [www.collegeboard.com](http://www.collegeboard.com). Please keep in mind that there is a charge to take these exams. If your family meets certain income guidelines, you may be eligible to receive a fee waiver. In addition, some students who participate in STEP may be eligible for a fee waiver through those programs. The Guidance Office has information about the fee waivers if you have questions. **Almost all four-year colleges, and many two-year colleges require an SAT or an ACT. Many scholarship applications also require these scores. SAT and ACT Test deadlines may be found on the websites listed above or by calling the Guidance Office at 315-322-5746, Ext. 35218.**

Students planning to apply to a college as an early decision candidate, or any student applying for scholarships must also pay close attention to deadlines. **If you are going to be requesting a letter of recommendation from a teacher, be sure to ask them early.** If you wait until the last minute, it is usually impossible for teachers to accommodate your request, and it isn’t really fair to them.

**Students who plan to apply to college are encouraged to do so by Thanksgiving vacation and NO LATER than mid-December (prior to Christmas vacation).**

## New students in the MWCS District

may contact Patricia Bogart in the  
District Office to enroll during the  
month of August. Please call 315-  
322-5746, Ext. 35221 to make

You may also pre-register online and  
print out the required forms on the  
District's website [www.mwcsk12.org](http://www.mwcsk12.org),  
click on District and scroll down  
to Student Pre-Registration. Once  
completed, please call Ms. Bogart for  
an appointment to enroll.

### ADVANCED PLACEMENT (AP) INFORMATION

Students who have enrolled in Advanced Placement Courses  
must pay a fee to take the AP exams in May 2022. There is a  
fee per exam—Contact Guidance Office to confirm cost.  
Test fees are due in March 2022.

Parents/Guardians will receive notification about required  
test fees, and payment plans once school is in session. Fee  
reductions are available to families who meet the necessary  
income guidelines.

apply to college are

## CAFETERIA NOTES.....

Research has proven that breakfast and lunch participation play an important role in a student's academic achievement. Given the current difficult economic times, I believe it is important to inform families about the continued value of the school lunch/breakfast program. The school meal still represents a cost effective manner to provide healthy, nutritional meals for your children. All school meals comply with state and federal guidelines. Families can be assured that student meals meet the necessary food groups and caloric intake.

An average student spends approximately \$10.00 a week for meals in the school cafeteria. This would be in place of a bag lunch or breakfast prepared at home. While some families may prefer the latter, it is important to note the savings options that are available through the District.

The **MySchoolBucks** on-line payment system allows for monthly budgeting of meal payments. This system has remained up and running during the summer allowing families to make regular deposits to the meal program spread throughout the entire twelve months rather than just the academic year from September to June. Parents/Guardians are also able to monitor daily student spending and meals from their home computer.

The federal **2021-2022 Free and Reduced Meal Program (see pages 11-15 for information and application)** is also designated to assist families with the cost of these school meals. The guidelines change annually so please review the eligibility scale and application included in this newsletter to see if your family is able to possibly receive these benefits. Many District students who are eligible do not take advantage of this financial assistance. They are needlessly paying money or going without meals. There is no longer any identification card attached to participating in this program. Students utilize their School ID number when progressing through the cafeteria line, so confidentiality is always maintained. I am available to assist with the completion of the eligibility application if necessary.

Feel free to call me at school if you have any questions regarding the school lunch/breakfast program.

School Lunch Manager

Major life activities are defined to include functions such as caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. You must request the special meals from the school and provide the school with medical certification from a medical doctor. If you believe your child needs substitutions because of a disability, please get in touch with us for further information, as there is specific information that the medical certification must contain.

## Joe Binion, Jr - Sr High School Principal

Dear Students and Parents/Guardians:

It is with great excitement that I welcome everyone back for the 2021-2022 school year. I know there are many questions left unanswered, but similar to last year, I am confident that we will continue to provide the safest and best learning environment for our students. We owe a great deal of thanks to our parents, students, and community members for being so supportive last year. Collectively, we provided an education model second to none.

This summer, things have been busy around school. Inside, construction crews have been in the auditorium, locker rooms, cafeteria, LGI, hallways, and bathrooms. Outside, they have torn up the baseball field, parking lot, and constructing our new outdoor concession stand and bathrooms. While all of this has been going on, our maintenance staff has been working hard so everyone can safely return to the building.

This year things will look more normal academically. We will return to a 9 period, 42 minute schedule. 10th period will be available for extra help, but with some restrictions. Due to limited seating on the elementary buses, middle school and high school students will only stay during this time when it is deemed to be academically necessary by a teacher.

Additionally, Remote Instruction will only be allowed under a few circumstances this year. Students will be provided synchronous instruction similar to last year under the following circumstances:

- Confirmed to be positive for COVID-19
- Confirmed to be waiting a COVID-19 test result
- Has been quarantined by SLC Public Health

In classrooms, we will follow the guidance put out by the New York State Education Dept. Students will wear masks and be socially distanced at 3 ft. in most cases. There may be times where distancing will be at 6 ft. for safety reasons. Students will also be allowed to use their lockers and the locker rooms this year.

I also wanted to mention that our 6th grade orientation will be on September 1st starting at 1 pm in the auditorium. Be on the lookout for the letter in the mail.

Please rest assured that we are taking the necessary precautions that will allow a safe return for students and staff. We understand the importance of students having the option of being able to return to school in-person. The social-emotional and academic advantage of human interaction is vital to the growth of our students.

In closing, I want to reiterate that I am confident that we can provide a positive learning environment for our students this year. Before students board the buses and get dropped off at school the first day, please take the time to discuss the importance of wearing masks and social distancing. Thank you for trusting us to keep your children safe.

# SCHOOL BUS ROUTES/RULES

## Bus Routes

This fall the bus routes for the district will mostly remain the same as last year. If you are new in the area, please check with a neighbor to determine an approximate time of bus arrival. It is a good idea to be ready a little early the first few days until bus routes are established. All buses are to arrive at the high school by 7:35 a.m. and at the elementary school by 8:40 a.m.

High School students are not allowed to ride the elementary bus runs without prior office approval.

*If you are new in the area, please check with a neighbor to determine an approximate time of bus arrival, or call 315-322-5746,*

*Ext. 35401*

## School Bus Behavior

It is a student's responsibility to behave while riding on a bus. Bus drivers have the same degree of authority on the bus as teachers have in a classroom. You must not interfere with the safe and comfortable transportation of other students.

Inappropriate behavior, such as fighting, objectionable language or other behavior problems may result in losing your privilege to ride on the school bus.

## BUS RULES

1. Keep hands and feet to yourself.
2. Never throw anything out the window
3. Don't push or shove.
4. Stay in your seat until the bus stops.
5. Don't yell or shout.
6. Always obey the driver
7. Wait for the driver's signal before crossing road

## STUDENT DRIVERS

Secondary students who drive to school must leave home early enough to arrive for 1st period at 7:45 A.M.

Check in at High School Main Office if you arrive late.

## Parking - Safety Committee Regulations

For the safety of students and staff, please be advised that the following parking regulations are in effect:

1. Parking in the lane directly in front of both buildings is prohibited. These are fire lanes and must be kept clear at all times by law. Pick-up and drop off only!
2. Please remember to park in district designated parking areas when attending events. Parking on the south end (Madrid side) of building will be restricted to pavement and designated areas.
3. Parking will not be allowed behind the building for sporting events.
4. Unsafe student driving practices may result in loss of privileges.

## NOTICE:

High School Students who enter the building prior to 7:35 AM will remain in the Lobby areas until 7:35 AM. Students are not to be in classrooms unsupervised.

## School Emergency Days

During the course of the school year, emergencies may cause school to be closed or delayed. In the event that weather conditions appear that this might happen, you are encouraged to tune in to the following radio and/or TV stations.

**WPDM Potsdam; WMSA & WYBG Massena; WSLB, WNCQ Ogdensburg;

Parents of elementary children are encouraged to have pre-planned arrangements for their children. Please discuss these arrangements with your child and if it should be other than where they would normally go, let the school know also. *IN THE EVENT OF AN EARLY DISMISSAL, HIGH SCHOOL STUDENTS WILL BE DISMISSED FIRST (TO BE HOME FOR YOUNGER CHILDREN).*

This exam must be provided to school within 30 days of entry into school or the grade levels indicated. A review of the immunization certificates and/or other proof of immunity are needed at the time of registration of all students, inclusive of new entrants and transfers.

### **STUDENT INSURANCE**

The Board of Education has purchased a student accident insurance policy to pay partial medical expenses if students are injured while participating in school sponsored activities. The policy is a non-duplicating one. This means if a family is covered by their own hospitalization plan, that their personal policy will provide first coverage. If there are expenses not covered by your personal policy or if there is no personal insurance, the student accident insurance will pay the maximum coverage allowable under its policy. Any difference will be the responsibility of the family. Mrs. Murphy, our School Nurse, is responsible for handling all medical claims for the student insurance program.

## Guidance Department News

### Information for College-Bound Juniors

Juniors completed a resume and a career inventory earlier in the year to prepare them for life after high school. We encourage juniors who are interested in college to spend time this summer thinking about colleges they feel might be a good fit. Visiting colleges you have a strong interest in is also a valuable experience to determine whether you feel those colleges will meet your needs. You may not be able to visit a college in person but a virtual tour can be just as helpful and informative. College websites are wonderful resources for finding out about campus tours, open houses, admission requirements, financial aid and other pertinent data.

In the Fall of 2021, students who plan to attend college should take at least one of the college entrance exams (SAT or ACT). This is especially important for students who intend to go to a four-year college directly out of high school, and who did not take one of these exams prior to the school closure. Be sure to check with the college first to see if they require one of these tests for admission. Due to the COVID-19 pandemic, some colleges have decided to go Test Optional for the 2021-2022 school year.

## Paperless Progress Reports and Report Cards

Due to the success of schooltool's online access for parents/guardians we will continue to send electronic progress reports and report cards that help expedite the process for parents/guardians to monitor their children's progress.

E-mail and facebook notifications will be sent when progress reports and report cards are ready for viewing. You can simply log-in to your schooltool account to view.

Parents/guardians who do not have internet access may still submit a written request to our Guidance Department for progress reports and report cards to be mailed home.

If you are not yet registered in schooltool, you may access the schooltool Parent Portal by completing the registration form located on the District website under the Parent Information Page.

Specific instructions for viewing these reports will be e-mailed when reports are ready to view.

**Student Information Reports on Grades 3-8 State Assessments will be available via School Tool upon the State release of the scores anticipated in late Sept.**

If you do not currently have access to your student's School Tool records, please contact the District Office to sign up for the Parent Portal. Call Patty Bogart at 315-322-5746, Ext. 35221 or email [pbogart@mwcsk12.org](mailto:pbogart@mwcsk12.org)

#### **Notification Regarding Use of Surveillance Cameras in School Buildings, School Buses and on School Grounds**

The Board of Education recognizes its responsibility to promote and foster school safety and ensure a safe and effective learning environment. After having carefully considered and balanced the rights of privacy with the District's duty to promote discipline, health, welfare and safety of staff and students, as well as that of the general public who has occasion to use school facilities, the Board of Education supports the use of surveillance cameras in its schools, its buses and/or on school grounds. District surveillance cameras will only be utilized in public areas where there is no "reasonable expectation of privacy." Recordings may be shared with law enforcement officials in accordance with their official duties and/or as otherwise authorized by law.

District Policy #5683—Adopted July 22, 2008

#### **New York State Pest Management Plan—New Regulations**

##### **Statement of Pesticide use through the Integrated Pest Management Plan (IPM) during a school year.**

##### **What is Integrated Pest Management?**

IPM is an effective and environmentally sensitive approach to pest management that relies on a combination of common sense practices. IPM programs use current and comprehensive information on the life cycles of pests and their interactions with the environment. This information, in combination with available pest control methods is used to manage pest damage by the most economical means that pose the least possible hazard to people, property and the environment. IPM programs take advantage of all pest management options possible which include but are not limited to the judicious use of pesticides. Understanding pests' needs is essential in implementing IPM effectively. Pests seek habitats that provide basic needs such as air, moisture, food and shelter. Pest populations can be prevented or controlled by creating inhospitable environments, by removing some of the basic elements pests need to survive, or by simply blocking their access into buildings. In the event that these actions are not effective, IPM may require that pests be managed by other methods such as traps, vacuums, biological controls or pesticides. This notice is to inform you of the Integrated Pest Management Program of our school.

Schools are required to maintain a list of staff and parents who wish to receive forty-eight hour prior written notification of pesticide applications at relevant facilities, and procedures on how to register with the school to be on a list for notification.

To be placed on a list to receive 48-hour prior notice of pesticide application, please contact Craig Ashley, Head of Buildings and Grounds, at 315-322-5746 ext. 35401

#### **Asbestos Inspection**

Madrid-Waddington School facilities have been inspected for both friable (crumbles easily) and nonfriable materials which contain asbestos. All friable asbestos has been removed from the District's buildings. Nonfriable asbestos materials were found in various areas in the buildings. These areas are both accessible and inaccessible to students and staff members. The situation does not pose a health risk at this time and we are carrying on periodic inspections to insure that there is no release of asbestos fibers. The record of the inspection, drawings showing the locations of the friable and nonfriable materials and a copy of the management plan are in the office of the Head of Buildings and Grounds and available for your inspection.

## FAMILY EDUCATIONAL RIGHTS and PRIVACY ACT (FERPA)

The FAMILY EDUCATIONAL RIGHTS and PRIVACY ACT (FERPA), a Federal law, requires that Madrid-Waddington Central School, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Madrid-Waddington Central may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow this district to include this type of information from your child's education records in certain school publications. Examples include: A playbill showing your student's role in a drama production; annual yearbook; honor roll or other recognition lists; graduation programs; and sports activity sheets.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require location education agencies (LEA's) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories—names, addresses and telephone listings— unless parents have advised the LEA that they do not want their student's information disclosed without their prior consent.<sup>1</sup>

If you do not want Madrid-Waddington Central School to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing by **September 10, 2021**. Madrid-Waddington Central School designates the following information as directory information: (NOTE: an LEA may, but does not have to, include all the information listed below.)

## **Application for Free and Reduced Price School Meals**

Federal Funding to schools is based on eligibility numbers. We encourage all families, who may be eligible, to complete the school meals application contained in this newsletter. Please read the information regarding Free & Reduced eligibility and complete the application on Page 13 even though meals are free to all this year. Return it to school as soon as possible in August or September.

An application is also available by calling 315-322-5746, Ext. 35221 or Ext. 35230; or stop by the Superintendent's Office to pick one up.

Call 315-322-5746, Ext. 35230 for assistance in completing this application.

Help us to provide your child a nutritious meal which aids in academic success! Research indicates that students who eat breakfast and lunch increase achievement in school. Confidentiality is maintained by use of an ID # at the register.
