## **SMOKING, E-CIGARETTES/VAPING, OR USE OF ANY TOBACCO PRODUCTS IS PROHIBITED IN THE MADRID-WADDINGTON CSD BUILDINGS**

### **ANNOUNCEMENTS**

Announcements will be made at the beginning of 1st Period of each school day on the public address system. Students are advised to listen to announcements as this information is for you. Organizations wishing announcements should leave them in the office a day in advance. Only school related announcements will be made. We do not announce birthdays.

### **ASSEMBLIES**

Prior to any assemblies, students will report to their homerooms at the time indicated and then, sit together as a homeroom when called to the auditorium. Any disruptive behavior will result in removal from the auditorium. *Students in Grades 6-12 are not allowed to attend elementary functions and assemblies while their school day is in session. The school cannot condone or endorse the missing of their program, as it constitutes an unexcused absence.*

### **ATTENDANCE**

Absence is the main cause of failure in school. Unless your health forbids or unless some emergency arises at home, you should be in school. Responsibility for making up work lies entirely with you. You should make appointments with your teachers to determine what is to be made up. **The standards and guidelines for make-up work are presented to the students at the beginning of each course they take. Copies of teachers' make-up policies are available upon request in the main office.** You assume the entire burden of getting this work done and handed in to your teachers. Punctuality and regular school attendance are essential to success in school and later on the job. **BE ON TIME AND IN YOUR CLASS EACH DAY.**

All absences must be verified by a note from the parent **within forty-eight hours of your return to school** indicating the reason for absence. **Excused absences** include personal illness, medical, dental, or legal appointments, religious observance and death in the family.

All absence, as well as tardiness and truancy are recorded daily. Car problems, oversleeping and personal reasons are not acceptable excuses for being late. **LATE STUDENTS ARE TO REPORT TO THE OFFICE IMMEDIATELY UPON ARRIVAL. UNLESS SCHEDULED FOR AN ACTIVITY – ALL STUDENTS ARE TO LEAVE THE BUILDING AT 2:08 P.M.**

### **NOTIFICATION REGARDING USE OF SURVEILLANCE CAMERA IN SCHOOL BUILDINGS, SCHOOL BUSES AND ON SCHOOL GROUNDS**

The BOE recognizes its responsibility to promote and foster school safety and ensure a safe and effective learning environment. After having carefully considered and balanced the rights of privacy with the District's duty to promote discipline, health, welfare and safety of staff and students, as well as that of the general public who has occasion to use school facilities, the Board supports the use of surveillance cameras in its schools, on its buses and/or on school grounds. District surveillance cameras will only be utilized in public areas where there is no "reasonable expectation of privacy." Recordings may be shared with law enforcement officials in accordance with their official duties and/or as otherwise authorized by law.

*District Policy #5683 - Use of Surveillance Cameras in the School District Adopted July 22, 2008*

### **BUS BEHAVIOR**

It is the school district's responsibility to provide proper and safe transportation to and from school. Bus drivers are expected to exercise the same degree of authority as a teacher would in a classroom. No student has the right to interfere with the safe and comfortable transportation of another student or the bus driver. Such actions as fighting, shouting, objectionable language, smoking, or any other behavioral problemS may result in restrictions or losing the right to ride the bus.

Students are to only ride the bus they are assigned. The High School Office must approve any changes. Generally students are allowed to ride another bus to the home of a friend, relative, etc. These requests should be made in writing by a parent/guardian.

# *Madrid-Waddington High School Parent-Student Handbook 2020-21*

## **CAFETERIA/LUNCH/FOOD/BEVERAGES**

Student behavior in the school cafeteria should be based on courtesy and cleanliness. This means leaving the area neat and in a condition you would like to live in. Each student is scheduled for a one-half hour lunch period. Students must go through the cafeteria line and pay for their choice of foods. Once you have eaten you may leave the cafeteria. The gym is available for students wishing to participate in limited activity. Appropriate behavior is expected.

As a general rule, food should not leave the cafeteria. Arrangements to eat in other locations must be made in advance. Students are not to go into areas where classes are being held during their lunch period. Each month the lunch menu is printed and is available to each student in the main office. Only a regular lunch may be charged. No more than 3 charges will be allowed. If the charges are not paid in 30 days you cannot charge again until the bill is paid.

Students are subject to restrictions regarding food and beverages. During the regular school day, consumption *should mostly occur only during the designated lunch and breakfast periods. Though there are numerous exceptions and special circumstances.* The school reserves the right to control foods and beverages purchased on or off school grounds.

## **MEAL CHARGING AND PROHIBITION AGAINST LUNCH SHAMING:**

It is the policy of the Board of Education at Madrid-Waddington Central to provide students with access to nutritious no- or low-cost meals each school day and to assure that a student whose parents/guardian has unpaid meal charges is not shamed or treated differently than a student whose parents/guardian does not have unpaid meal charges.

*District Policy #5660 – Meal Charging and Prohibition Against Meal Shaming*

## **SCHOOL DANCES**

Throughout the school year, dances may be held in the school on Friday or Saturday evenings. Sign up for the use of this activity must be done through the high school office, well in advance of the date requested. Permission for school dances will be given only to existing clubs and class organizations at the High School.

Each of the following regulations will be in effect:

1. Dances are for MWCS students only, unless special approval is obtained from the main office. The sponsoring organization may designate grade level.
2. No drinking of alcoholic beverages or use of drugs before or during will be permitted. A violation may result in restriction from all extra-curricular events, as well as possible legal action.
3. Students exhibiting unbecoming conduct may be asked to leave school grounds.
4. Dances will be from 8:00-11:00 p.m., unless otherwise approved.
5. Students admitted to the dance will not be allowed to leave and return later.

## **10th PERIOD**

The official school day at the high school ends at 2:50 p.m. Students whose work is complete, are not involved in extracurricular activities after school, or have not been assigned detention by the office or a teacher, are **expected** to leave on the early dismissal bus at 2:08 p.m.

Students assigned to 10TH PERIOD are to report to their teacher immediately at the bell. STUDENTS ARE NOT TO REMAIN AFTER SCHOOL TO VISIT WITH TEACHERS, FRIENDS, CLEAN LOCKERS, USE THE LIBRARY, ETC. At 2:50, all high school students must report to the high school cafeteria before dismissal on the elementary bus.

# *Madrid-Waddington High School Parent-Student Handbook 2020-21*

## **DISCIPLINE CODE**

It is the policy of the Board of Education at Madrid-Waddington Central that disciplinary actions be progressive in nature to allow growth and change in student behavior. It recognizes, however, that some serious misbehavior may require an action not within the normal progression.

The following behaviors and corresponding disciplinary actions will apply to all students on school property and at school-sponsored activities. The primary goal is to bring about responsible and productive student behavior, which will result in a positive learning environment for all students in attendance.

These violations and disciplinary actions are a “GUIDE” to the School Administration. In certain situations, the code may be modified or changed due to extenuating circumstances. The High School Administrator would determine this decision.

However, in determining an appropriate penalty, the Superintendent of Schools may modify the suspension requirement on a case-by-case basis, considering, among other things, the totality of circumstances surrounding the offense and the student's previous record.
12. In accordance with state law, students are forbidden to **use** or **possess** tobacco and tobacco-related products (also known as "smokeless" or "chewing" tobacco, including e-cigarettes/vaping products) on school premises, on school buses, or at school-sponsored activities.

## **DRIVING TO SCHOOL**

Students who drive, as well as riders, are required to be in the building and seated in their 1st period class at 7:45 a.m. Any lateness to school due to driving or riding may require detention period make-up time. Books may be signed out for a two-week period. Students will be expected to pay for lost library materials. No passes will be issued from the library.

*For grades 8-12 students that want to leave their study hall for the library, must sign up on the appropriate sheet for their study hall period before going to homeroom. The student reports directly to the library at the beginning of the period. Attendance is taken in the library and reported to the study hall teacher.*

## **LOCKERS & BACKPACKS**

Each student is assigned a hall locker and a gym locker at the beginning of the school year. Hall lockers are for storage of books, coats, and notebooks. **A hall locker or a gym locker is not a safe.** Students are reminded not to leave valuable items or money in lockers. Hall lockers are assigned to the students for their use, but remain the property of the school.

The high school administration has the right to search any locker if reasonable cause exists. Grade 6 and 7 students may use a school lock by paying a security deposit. If a lock is brought from home, circumstances may require it to be cut from the locker. Lockers with built in locks are **NOT** to be tampered with in an effort to interfere with their proper operation.

*Backpacks, in their use and storage, can be a difficult thing to manage. MWCS does not allow wheeled devices for books and materials. We also caution that over-sized backpacks not be crammed into lockers and may not be the best-suited for school. We urge students to be responsible in their use and placement of backpacks. Unattended backpacks are at risk for theft and tampering.*

## **HIV POLICY**

The Board of Education recognizes the public concern over the health issues surrounding Acquired Immune Deficiency Syndrome (AIDS) and Human Immunodeficiency Virus Infection (HIV). The Board also recognizes, based upon the current state of medical knowledge, that the virus associated with AIDS is not easily transmitted and there is no evidence that AIDS or HIV virus can be transmitted by casual social contact in the open school setting.

The board acknowledges the rights of those students diagnosed as having AIDS or HIV infection to continue their education as well as the rights of all students in the school district to learn and participate in school activities without being subjected to significant risks to their health. The Board also takes notice that under current law and regulations the disclosure of confidential AIDS and/or HIV-related information must be strictly limited.

Accordingly, it is the policy of the Board of Education that no student shall be denied the opportunity to attend school, continue his/her education or take part in school-related activities solely on the basis of being diagnosed as having AIDS or HIV infection.

In accordance with current state law and regulations, it is also the policy of the Board of Education to prevent any student from being subjected to adverse or discriminatory treatment or stigma because he or she has been diagnosed as having AIDS or being HIV-infected.

Student access to phones, both school and personal, may be limited or restricted for misuse, over-use, or anything deemed to interfere with the educational process or climate.

## **VISITORS**

School, in an educational sense, is a place of business and the students and staff are rarely in a position to host visitors for purely social purposes. With the exception of academic, professional and parental visitors, all other visitation is expected to occur outside of school hours.

Regardless of the nature of the visit, all visitors must report to and sign in at either the high school or elementary main office.

## **LOST AND FOUND**

Students losing personal possessions at school should report this to the office as soon as possible. Any school equipment such as textbooks, sports equipment, etc. should also be reported. It is strongly suggested that valuable possessions not be brought to school. In the event that it is necessary to bring money into the building it may be left in the office until needed. **AGAIN - A LOCKER IS NOT A SAFE!!!**

## **HOMEWORK ASSIGNMENTS WHEN YOU ARE ABSENT**

If a student is absent from school for 1-3 days, we suggest they obtain homework assignments through a fellow classmate who is able to pick up the necessary assignments, worksheets etc. from teachers. (These arrangements should be made with a fellow classmate the night after the first day of absence.)

If a student is absent from school for a long period of time (**3 or more days at a time**), parents may contact the high school office and we will assist in getting assignments together for a parent/guardian to pick up. Due to the time element involved, we ask your cooperation in this matter.

## **NATIONAL JUNIOR HONOR SOCIETY**

- **Section 1:** Membership in local chapters is an honor bestowed upon a student. Selection for membership is by Faculty Council and is based on outstanding scholarship, leadership, service, character, and citizenship. Once selected, members have the responsibility to continue to demonstrate these qualities.
- **Section 2:** Candidates eligible for election to this chapter must be members of the sixth, seventh, or eighth grade class. Candidates eligible for election to the chapter shall have a minimum scholarship average of 90 percent or its equivalent. This scholastic level of achievement shall remain fixed, and shall be the required minimum scholastic level of achievement for admission to candidacy. All students who can rise in scholarship to or above this standard may be admitted to candidacy for election of membership. Scholastically eligible students are contacted and requested to complete and submit a Student Activity Information Sheet. Their eligibility shall then be considered on their service, leadership, and character.
- **Section 3:** Candidates eligible for election to this chapter will be evaluated by their teachers using a rating guide. Students will be evaluated on leadership, service, and character. Those candidates who receive an acceptable rating will be given the application packet for membership.
- **Section 4:** The Faculty Council shall reserve the right to award honorary membership to school officials, principals, teachers, NJHS advisers, adults, students with disabilities, or foreign exchange students in recognition of achievement and/or outstanding service rendered to the school in keeping with the purposes of the National Junior Honor Society. Honorary members shall have no voice or vote in chapter affairs.
- **Section 5:** Candidates become members when inducted at a special ceremony.
- **Section 6:** An NJHS member who transfers to another school and brings a letter from the principal or chapter adviser to the new school advisor shall be accepted automatically as a member in the new school's chapter. Transfer members must meet the new chapter's standards within one semester in order to retain membership.
- **Section 7:** Members who resign or are dismissed are never again eligible for NJHS Membership or its benefits. Resignation or dismissal from NJHS has no bearing on future consideration for membership in NHS in high school.

## **NATIONAL HONOR SOCIETY**

The procedure for selection of students for the National Honor Society is directly derived from the Society Handbook in conjunction with the rules and expectations delineated in the constitution of the Kathryn E. Fay Chapter. The following are integral aspects of this selection process.

Membership in the National Honor Society (NHS) is one of the highest honors that can be awarded to a high school student. Our chapter strives to give practical meaning to the Society's standards of scholarship, service, leadership, and character. These four ideals are considered as the basis for selection. No student is inducted simply because of a high academic average. The NHS strives to recognize the total student - one who excels in all of these areas. The standards used for selection are:

- **Scholarship:** 87.0 cumulative average This is the average of all credit bearing courses taken since the 9th grade, not solely the current Honor Roll, which is based upon a 10 week average.
- **Leadership, Service, and Character:** as demonstrated by activities, teacher/community evaluations, an essay, and a personal interview.

Membership, however, is more than an honor. It is an ongoing responsibility and an obligation to continue to demonstrate those outstanding qualities that result in a student's selection. Membership also carries a responsibility to the chapter. If our NHS chapter is to be effective and meaningful, each member **MUST** become involved.

# *Madrid-Waddington High School Parent-Student Handbook 2020-21*

## **Membership & Chapter Obligations:**

- Maintain an 87.0 cumulative average
- Attend meetings once a month
- Participate in chapter fundraising
- Participate in chapter community service projects
- Complete a minimum of 30 community service hours outside of chapter projects
  - A minimum of 15 will need to be completed each semester
  - A minimum of 10 will need to be completed in your local community (a non-school related activity)
- Complete and turn in all paperwork by assigned deadlines
- Complete and return community service evaluation form
- Exhibit the highest standards of moral character and serve as role models to fellow students.
- Exhibit the characteristics of a leader through attitude, effort, and the willingness to serve others
- Maintain communication with chapter advisor (you must check your email)
- Probation and Dismissal - Members may be placed on probation and/or dismissed for falling below the minimum GPA, insufficient community service and leadership positions, poor or no attendance at meetings, poor or no participation in chapter events, and inappropriate school behavior or violating school rules.

## **Selection Process Summary**

Becoming a member of NHS is a four step process. The procedure for selection of students for NHS membership is directly derived from the Society Handbook in conjunction with the rules and expectations delineated in the constitution of the Kathryn E. Fay Chapter. The following are integral aspects of this selection process:

1. Students' academic records are reviewed by the guidance counselor to determine scholastic eligibility which is based upon the most recent cumulative grade point average.
2. All high school faculty members are asked to complete student evaluation forms based upon the necessary criteria of Leadership, Service, and Character.
3. Based on the results of the faculty evaluations and Honor Council recommendations, scholastically eligible students are contacted and requested to complete and submit a Student Activity Information Form, Outside Activity Evaluation, and essay.
4. The Honor Council then reviews information concerning the potential candidates after which potential candidates may be scheduled for an interview with the Honor Council. Candidates must receive a majority vote of the Honor Council to be inducted into the local chapter of NHS.

Selection for membership in NHS is an honor extended by the Honor Council. There may be times that an academically eligible student is not selected. This situation may arise because of the need to meet all the requirements of the selection process as evaluated by the Council members. It is clearly stated in the NHS policy that all eligible students must have a fair and equal opportunity to be considered, not necessarily to be selected. Special efforts will be made to explain the selection process to an individual student and/or parent who is dissatisfied. However, the chapter is not obligated to share information concerning specific students not selected for membership in the society.

## **STATEMENT OF PESTICIDE USE THROUGH THE INTEGRATED PEST MANAGEMENT PLAN (IPM) DURING A SCHOOL YEAR**

### What is Integrated Pest Management?

IPM is an effective and environmentally sensitive approach to pest management that relies on a combination of common sense practices. IPM programs use current and comprehensive information on the life cycles of pests and their interactions with the environment. This information, in combination with available pest control methods is used to manage pest damage by the least economical means that pose the least possible hazard to people, property and the environment. IPM programs take advantage of all pest management options possible which include but are not limited to the judicious use of pesticides. Understanding pest's needs is essential in implementing IPM effectively. Pests seek habitats that provide basic needs such as air, moisture, food and shelter. Pest populations can be prevented or controlled by creating inhospitable environments by removing some of the basic elements pests need to survive or by simply blocking their access into buildings. In the event that these actions are not effective, IPM may require that pests be managed by other methods such as traps, vacuums, biological controls or pesticides. This notice is to inform you of the Integrated Pest Management Program of this school. Schools are required to maintain a list of staff and parents who wish to receive forty-eight hour prior written notification of pesticide applications at relevant facilities and procedures on how to register with the school to be on a list for notification.

To be placed on a list to receive 48-hour prior notice of pesticide application, please contact Eric Burke (Superintendent) at 322-5746-ext. 221.

## **MWCS STUDENT INTERNET SAFETY POLICY**

It is the intention of the Board of Education (1) to insure that users will not have access to inappropriate materials when using the internet, email, chat rooms and other forms of direct electronic communications provided by MWCS; (2) to prevent unauthorized access and other unlawful activities by users online; (3) to prevent unauthorized disclosure, use and dissemination of personal identification information regarding users, and (4) to comply with the Children's Internet Protection Act. [20USC6801 and 47USC254(h)].

To gain independent access (the use of the Internet during a student's free time) to email and the Internet, all students must obtain parental permission and must sign and return the attached form to the appropriate principal's office.

## **PREVENTION OF ACCESS TO INAPPROPRIATE MATERIALS**

Technology protection measures shall be used, to the extent practicable, to block or filter access to the internet, email, chat rooms, and other forms of direct electronic communications by MWCS students and other users and by students and other users in schools receiving computer or data processing services from MWCS. Technology protection measures shall be used for the following purposes.

1. Safety for Minors - To prevent access to visual depictions that are obscene, child pornography, or otherwise harmful to minors.

Access to the Internet will enable students to explore thousands of libraries, databases, and educational websites throughout the world. Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. **While our intent is to make Internet access available to further educational goals and objectives, it is possible for students, either accidentally or otherwise, to access other materials as well.** Instruction and guidelines to ensure proper and safe use of the Internet are presented to MWCS students. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. Madrid-Waddington Central School teachers who utilize the Internet for instruction will review the guidelines for its use. We also reaffirm that parents and guardians are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, the Madrid-Waddington Central School supports and respects each family's right to decide whether or not to apply for independent access.

## **DISTRICT INTERNET RULES**

Students are responsible for good behavior on school computer networks just as they are in a classroom or a school library. General school rules for behavior apply. Access to network services is given to students who agree to act in a considerate and responsible manner. Access is a privilege, not a right. Access entails responsibility. Individual users of the district computer networks are responsible for their behavior and communications over those networks.

Network storage areas may be treated like school lockers. Network administrators may at any time review files and communications to maintain system integrity and insure that users are using the system responsibly. Users should not expect that files stored on district servers will always be private. Within reason, freedom of speech and access to information will be honored. **During school, teachers of younger students will guide them toward appropriate materials.**

5. Do not use the network in such a way that would disrupt the use of the network by other users.
6. Do not access, alter, or destroy other users' files.
