

**Madrid-Waddington Central School**

*Have a great  
Summer!*

**June 2018**

**Congratulations to MWCS Class of 2018  
Graduation—Friday, June 22, 2018 at 7:00 PM  
John Dinneen Memorial Auditorium**

Dear Madrid-Waddington Community,

Despite the endless winter we are nearing the end of another school year that seems to have flown by quicker than the one before. We have an incredibly active student body due to the support and time investment made by all involved in the learning process. It is a true privilege to live and work in a school community that values education and understands the importance of providing opportunities for students to grow both in and out of the classroom.

This shared commitment was evident in May with the much appreciated approval of all budgetary propositions as well as a full selection of candidates willing to serve on the school board. The three candidates elected to the Board of Education include new members Charles Grant and Katie Logan as well as fifteen year veteran Gerald Molnar. Being a board member is a difficult and demanding position so having this level of interest is a true testament to the communal dedication.

No discussion of devotion to the Madrid-Waddington School District would be complete without mentioning the two individuals who will be retiring at the end of this school year. Mrs. Melody Molnar has spent over twenty years as an elementary teacher at MWCS and has never once shown signs of tiring from the “wheels on the bus.” She has provided an educational foundation for hundreds of students over the past two decades and facilitated numerous opportunities for high school students through her involvement with key club. Mrs. Monica Barkley has been happily greeting students in the cafeteria for the past thirty years. Her smile and cheerful, student-friendly demeanor has provided a daily bright spot for many people over the years. Congratulations to both for careers that have had a tremendously positive impact on our school.

This will be another busy summer as we continue to make improvements to the campus. Our custodial crew will be tackling another round of painting in the high school wing to add some color to the hallways. They will also be investing considerable time restoring our nature trails so we can use the area to extend learning outside of the classroom. A concerted effort has been made over the past few years to enhance the esthetics of the building and make it more student-focused. If anyone has not yet had a chance to check out the new high school cafeteria furniture please take a look at our Facebook page. These improvements have been met with much student excitement so we look forward to the continued improvements.

The only downside moving into the next school year will be the previously mentioned retirees and the absence of this year’s graduating class. Fifty-two outstanding Yellowjackets will be walking across the stage this June and although you will all be missed we are excited to hear of your future success.

Please have a safe, healthy, and enjoyable summer.

Cordially,

Eric Burke

We will continue to send home important information with your children. Please be sure to check book bags each day. If you have any questions, please call our Elementary Office at 315-322-4756, ext. 201.

At the completion of this school year we will be saying goodbye to one of our most treasured teachers. Melody Molnar will be retiring after thirty years of teaching, twenty of those at MWCS in the primary grades. Mrs. Molnar has touched the lives of hundreds of MWCS kids with her caring and compassionate approach to learning. She has brilliantly delivered sound academic instruction while at the same time, providing those “intangibles” essential in molding young lives. Her ability to balance a solid academic program with good “old fashion” fun is truly masterful. Mrs. Molnar has never lost sight of the fact that Kindergarten children are precious commodities whose days should be filled with enthusiasm and wonder. We wish her all the happiness she deserves as she embarks on another chapter; retirement.

We are also happy to announce that Meghann Lyon will be replacing Mrs. Molnar as our new Kindergarten teacher. Miss Lyon has spent the last three years as a Literacy Specialist assigned to provide instruction to students requiring supplemental support. She has proven herself to be a superb teacher ! Her experience and talents in Reading will serve our Kindergarten students well. I am confident she will do an outstanding job in her new assignment.

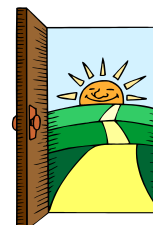

Angela Drumm was recently hired to replace Miss Lyon as building Literacy Specialist. She has spent the last two years working with our students in the Reading Center. Mrs Drumm brings a tremendous wealth of experience to our Reading program. She is an excellent teacher who is totally committed to the students of MWCS !

As always, it has been an honor and a pleasure working with the students and families of MWCS this year. Our ability to succeed in providing a solid educational experience combining a strong academic foundation with essential character education relies heavily with on a positive working relationship between home and school. Our goal has always been and will continue to focus on all skills required for future success and happiness. Please remember, if you have any questions or concerns, please contact me by phone or in person. My door is always open.

Have a safe and relaxing summer.  
I'll see you all at the bass tourney!

Matt Daley

## Information for College-Bound Juniors

Juniors completed a resume and a career inventory earlier in the year to prepare them to attend “Gateways to Careers” at SUNY CANTON in April. We encourage juniors who are interested in college to spend time this summer thinking about colleges they feel might be a good fit. Visiting colleges you have a strong interest in is also a valuable experience to determine whether you feel those colleges will meet your needs. College websites are wonderful resources for finding out about campus tours, open houses, admission requirements, financial aid and other pertinent data.

In the Fall of 2018, students who plan to attend college should take at least one of the college entrance exams (the SAT and/or the ACT). This is especially important for students who intend to go to a four-year college directly out of high school, and who did not take one of these exams Spring of 2018.
